Texas Department of Transportation

Overhead Sign Support Structure & Sign Walkway Fabrication Plants

Material Producer List
Materials and Tests Division-Structural Materials Section

Overhead Sign Support & Sign Walkway Fabrication Plants

The Department reserves the right to conduct random sampling and testing and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials and Tests Division (MTD) reserves the right to test samples to verify compliance with Items 650 and 654.

For more information, contact MTD's Prefabricated Structural Materials Section at (512) 993-7117.

Reference

Refer to the Department's *Standard Specification for Construction and Maintenance of Highways, Streets, and Bridges* for information on the following:

- Item 650, "Overhead Sign Supports"
- Item 654, "Sign Walkways"

Fabrication Plants

The following overhead sign support structure and sign walkway fabrication plants have been approved in accordance with DMS-7380, "Steel Non-Bridge Member Fabrication Plant Qualification," which is referenced in Items 650 and 654.

Materials and Tests Division's Structural Materials Section verifies on a per project basis that products furnished to TxDOT projects from fabrication plants, approved per DMS-7380, comply with Buy America requirements.

Monotube Type Overhead Sign Support Structures

Producer Code	Fabricator	Location
99587	Brookfield Fabricating Corporation	Brookfield, MO
99951	Structural & Steel Products, Inc.	Fort Worth, TX
99412	Universal Industrial Sales, Inc.	Lindon, UT

Truss Type Overhead Sign Support Structures & Sign Walkways

Producer Code	Fabricator	Location
98136	CHM Industries, Inc.	Fort Worth, TX
99879	MICA Steelworks	Haltom City, TX
99821	MICA Steelworks	Kaufman, TX
98354	QMF Steel, Inc.	Campbell, TX
98424	Structural & Steel Products, Inc.	Crowley, TX
99951	Structural & Steel Products, Inc.	Fort Worth, TX

NOTE: Overhead sign support structures and sign walkways will have the fabricator's designated approval stamp, as shown on the following page, placed on approved items. Numbers shown on approval stamps designate QC personnel's ID number.
