Texas Department of Transportation

Reinforced Concrete Pipe and Precast Box Culvert Fabrication Plants (Multi-Project)

Material Producer List
Materials and Tests Division-Structural Materials Section

Reinforced Concrete Pipe and Precast Box Culvert Fabrication Plants (Multi-Project)

The Department reserves the right to conduct random sampling and testing, and visual inspections of materials from approved fabrication plants. Department representatives may sample and inspect material from the fabrication plant or the project site. Materials & Tests Division (MTD) reserves the right to test samples to verify compliance with Items 462 and 464.

For more information, contact MTD's Structural Materials Section at (512) 993-7117.

Reference

Refer to the Department's Standard Specifications for Construction and Maintenance of Highways, Streets, and Bridges for information on the following:

- Item 462, "Concrete Box Culverts and Drains"
- Item 464, "Reinforced Concrete Pipe"

Fabrication Plants

The following multi-project fabrication plants (as defined in DMS-7305) that produce reinforced concrete pipe and precast box culverts have been approved in accordance with DMS-7305, "Fabrication and Qualification Procedure for Multi-Project Fabrication Plants of Precast Concrete Drainage Structures," which is referenced in Items 462 and 464.

Plants noted as Buy America Status compliant on the MPL have provided TxDOT Form 2812, "Buy America Certification," indicating compliance with Buy America requirements referenced in Standard Specification Item 6. Project level certification, therefore, is not required.

Project level certification requires completed TxDOT Form 2806 to comply with Buy America requirements.

Superscripts in the Table refer to the following:

1. Approved to produce Reinforced Concrete Pipe only.
2. Approved to produce Precast Concrete Box Culverts only.

Producer Code	Fabricator	Location	Buy America Status (Expiration Date)
98371	AmeriTex Pipe & Products, LLC	Conroe, TX	Compliant (October 1, 2026)
